LAWYER | ADVOCATE | EDUCATOR | VISIONARY FOR JUSTICE

## ABOUT JODEE

JoDee Neil is a former prosecutor, civil litigator, and lawyer-grade mama bear who kids and their parents trust with legal problems unique to children. Kids suffer tragedies every day, but JoDee is here to protect the child's interest and guide the adults who endeavor to protect them. JoDee has designed a law practice that aligns with her deeply held values and convictions. JoDee chooses to support children, their families, and survivors of sexual assault than do any other legal work on the market. JoDee is not just a lawyer, she is intent on becoming a catalyst for change.

# BOOK JODEE NEIL TO SPEAK ON WHAT NO ONE ELSE WILL SAY.

JoDee speaks like she practices — with precision, humanity, and Texas realness. She's comfortable sharing hard truths, vulnerable stories, and high-impact ideas without veering into cliché or performance. Audiences often say her talks “feel more like a mission than a speech.”
